The screenshot displays the 'Customize Your Test' page on the e-pariksha website. The page features a sidebar with navigation options: Dashboard, Profile, Practice Tests, Self Assessment Tests, Short Term Tests, Results, Recharge Points, and Notifications. The main content area is titled 'Customize Your Test' and includes a 'Select No. of Questions Chapter-wise' section with instructions and a 'Time Mode' selector (Conventional or Custom). Below this are dropdown menus for 'Test Title', 'Select Subject' (set to Physics), and 'Select Chapter' (set to Magnetism), along with a 'No. of Questions' input field and an 'Add Questions' button. To the right, a 'Check and Continue to Generate Custom Test' section contains a table with columns for Subject, Chapter, and No. of Questions, showing 'Physics' and 'Magnetism' with a value of '10'. A 'Generate Custom Test' button is located at the bottom right of this section.

Subject	Chapter	No. of Questions
Physics	Magnetism	10

**Select Time of Examination and select the Subject and Topics to get evaluated and add them to create the examination.**

**After the composition of topics is complete click on generate custom test**

**The assessment to make learning focused**

# e-pariksha

**Write the exam answering the right choices and navigate with Next and Previous keys, once all the questions are attempted click on end exam to get result.**

**If the Time exceeds the exam automatically ends**

**The assessment to make learning focused**

**Write 15 exams in each subject till the first of April to get the grand tests from the tab**

## **Short term tests**

**All the best for  
a smart winner**
